Cumulative COVID-19 Cases Among Children and Teens
United States, April 30 to September 3, 2020 (Date data were abstracted)

* Ages 0-19 years, except: ages 0-17 in AL, AR, CA, DE, GA, ID, IA, LA, MS, NJ, NYC, NC, OK, WY; ages 0-14 in UT; ages 0-20 in SC and TN.
New York State does not report cases by age, so we imputed counts based on the age distribution of NY City cases.
