Cumulative COVID-19 Cases Among Children and Teens
United States, April 30 to October 12, 2020
(Date data were abstracted)

Ages 0-19 years, except:
ages 0-17 in AL, AR, CA, DE, GA, ID, IA, LA, MS, NJ, NYC, NC, OK; ages 0-18 in WY; ages 0-18 in UT; ages 0-20 in SC and TN.
New York State does not report cases by age, so we imputed counts based on the age distribution of NY City cases.
